The flexible wall-mount remote control for flush-mounted installation offers the ideal solution for every application in the smart home. One or more functions can be triggered simultaneously via a standard rocker switch. The device can be used to switch light sources on or off or to move shutters up and down, for example.
**IDEAL SOLUTION FOR EVERY APPLICATION**
Two channels for comfortable control of devices or system functions in your smart home: The device can be used to switch or dim light sources on or off, activate or deactivate the eco mode or to move shutters up or down.

**EASY INTEGRATION INTO EXISTING DESIGNS**
Can also be integrated into existing switches by making use of existing frames and rockers. With the appropriate adapter, the device can be integrated into the most popular switch designs of leading manufacturers (an overview of compatible manufacturers is available at www.homematic-ip.com).

**REMOTE CONTROL FOR FLUSH-MOUNTED INSTALLATION**
After installation to a flush-mounted box and connection to the wired bus, several Homematic IP (Wired) actuators and system functions can be operated at the same time, at the touch of a button via the standard rocker switch. In this way, lights are switched off or shutters are moved down, for example.

**POWER SUPPLY VIA THE WIRED BUS**
Connection is established via the wired bus for reliable power supply and secure communication between the devices.

**FIRM HOLD ON FLUSH-MOUNTED BOXES**
Optimised for easy installation on flush-mounted boxes. The removable push-in terminal with spring tension clamps offers easy connection to the wired bus.

**TECHNICAL SPECIFICATIONS**
- Supply voltage: 24 VDC, +5 % -20 %, SELV
- Current consumption: 10 mA max.
- Standby power consumption: 50 mW
- Installation: only in normal commercial switch boxes (device boxes) in accordance with DIN 49073-1
- Cable type and cross section: rigid cable, 0.12-0.50 mm²
- Ambient temperature: -5 to +40 °C
- Dimensions (W x H x D): 71 x 71 x 28 mm
- Weight: 27 g

**LOGISTICAL DATA**
- Product reference: 154284A0
- EAN code: 4047976542840
- Short description: HmIPW-BRC2
- Packing unit: 90
- Packing dimensions: 122 x 112 x 48 mm

**PACKAGE CONTENTS**
- Homematic IP Wired Wall-mount Remote Control – 2 channels
- Clip-on frame and mounting plate
- Screws (4x)
- User manual
